

Changes are coming to AHCCCS in 2027 because of a new federal law.

Starting January 1, 2027 some adults ages 19–64 with AHCCCS coverage will renew their coverage every 6 months and have new work requirements.

Some people do not have to meet the work requirements. This is called an exemption.

What Should I Do Right Now?

Visit KeepMyAHCCCS.com for more information. It's the trusted place to find out more about these changes and learn about ways to meet work requirements.

AHCCCS will tell you if these changes apply to you. Keep your address, phone number, and email up to date so you don't miss important information from AHCCCS.
